Best Western Plus Island Palms Hotel's Great Traveler Reviews Land it a Place Among Travelers' Favorites

San Diego, California, July 7, 2022 – Best Western Plus Island Palms Hotel today announced it has been recognized by TripAdvisor as a 2022 Travelers' Choice award winner for accommodations. The award celebrates businesses that have received great traveler reviews from travelers around the globe on TripAdvisor over the last 12 months. As challenging as the past year was, Best Western Plus Island Palms Hotel stood out by consistently delivering positive experiences to travelers.

"We are honored to have won this prestigious award. Our goal is always to provide a memorable experience for our guests and we are so proud that they recognized the excellence in our hidden gem. We know that our beautiful waterfront views and award-winning Blue Wave Restaurant put us in a great position, but it is truly a testament to our staff's exemplary service that we believe really sets us apart and made the difference with us being included in the top 10%." – Barbara Thompson, Hotel Magazine's 2021 General Manager to watch.

"Congratulations to the 2022 TripAdvisor Travelers' Choice Winners," said Kanika Soni, Chief Commercial Officer at TripAdvisor. "The Travelers' Choice Awards recognize the best in tourism and hospitality, according to those who matter most: your guests. Ranking among the Travelers' Choice winners is always tough — but never more so than this year as we emerge from the pandemic. Whether it's using new technology, implementing safety measures, or hiring outstanding staff, I'm impressed by the steps you've taken to meet travelers' new demands. You've adapted brilliantly in the face of adversity."
